Case 8026

**FLAVOR ENHANCING OILS**

David V. Zyzak  
Robert L. Swaine

**ABSTRACT**

Disclosed are flavor enhancing oils comprising at least one edible liquid oil and at least one water soluble flavor enhancer. The water soluble flavor enhancer is uniformly dispersed throughout the edible liquid oil. Delivery of water soluble flavor enhancers via a stable fat or oil base allows higher temperatures to be obtained during cooking, leading to the formation of enhanced flavors.
